

Central Scotland Family History Society - Future Venue

For many years we have held our meetings in the Smith Art Gallery and Museum.
Due to concerns that this might close for refurbishment, we changed our venue to the
Raploch Community Campus from January – May 2011

The Smith Art Gallery and Museum is still unsure if / when they might get a grant for
refurbishment.

Local members are being asked to vote on which venue they would you prefer for next
session 2011-2012.
